2. The Agency has now received a formal memorandum (see enclosure) from the Office of the Chief of Engineers, Department of the Army, requesting this assistance. I understand that your staff is already familiar with the background concerning this project and has entered into pre-contract negotiations between the contractor and the basic contractee, the Army Map Service.

3. The Map Library Division, ORR, will continue to provide you with such coordination and technical support as may be needed.
